科目の概要	This course focuses on English conversation strategies and vocabulary building. Students will also practice using the grammar and vocabulary learned from their previous English classes, but these will be practiced in their spoken form more than their written form. The graded reader library in the Global Terrace and events held in English through the Global Terrace will be used to supplement this course.	
テキスト(参考文献)	Nice Talking with You 2 (Student's Book), by Tom Kenny (2012) Cambridge University Press, ISBN: 978-0-521-18809-8. (Also bring the システム英単語 book used in other English courses.)	
履修上の注意	Active participation in English is essential for completing this course successfully. During this class, being more than 15 minutes late, doing coursework for other professors, sleeping, talking out-of-turn at length, playing smart phone games, and any similar actions that distract one's focus away from class will result in a recorded absence or a required make-up class.	
科目の達成目標	By the end of this course, students should be able to speak better English. The students will have improved vocabulary, a better command of speaking strategies used in English, and more confidence in their ability to communicate in English. (A-2, B-1, E-2)	
自己学習	Students must complete online homework via "Akashi Moodle" in preparation for each subsequent lesson. These online assignments will preview the vocabulary, grammar, and conversation strategies students need to make meaningful and appropriate conversations for their weekly conversation tests.	
目標達成度(成績)の評価方法と基準	合格の対象としない欠席条件(割合)	1/4以上の欠課
	Grades are based on: Weekly conversation tests (50%), a written mid-term test (25%), online homework (20%), and Global Terrace passport stamps for English practice [Week One to Week Seven ONLY] (5%). Everyone will do two weekly conversation tests with randomly selected partners during different weeks of the semester, but those who are caught not participating in class appropriately must do more. Make up tests may be given at reduced credit when seen necessary and appropriate.	
	A passing grade will be 60% or greater.
